Sir

Military - Camping ground - South Kanara district - Mangalore Taluk - Panemangalore village - R.S.No.28/3 - disposal - proposals submitted -

---

R.S.No.28/3 of Panemangalore village measuring 19.25 acres is registered as 'Military Camping ground' poramboke. The land is liable to inundation from the adjacent river during severe rains and is damp and moist throughout the rainy season. I do not think that this is a fit place for camping ground throughout the year. Also with improved transport facilities, it may not be necessary to retain the site as a camping ground now. The plot is eminently suited for wet cultivation and if sold in auction, is likely to get a good price. I therefore request the Board to obtain the opinion of the Government whether the land should any longer be reserved for military purposes.

2. The information required in G.O.No.1665 Revenue dated 13.8.29 communicated with B.P.Mis.718 dated 28.2.1931 is furnished below seriatim.

(a) Panemangalore village - R.S.No.28/3 .. 19.25 acres.

(b) Rs. 300/- an acre.

(c) No camping ground is maintained on the land.

(d) The land was not in the effective occupation of the Government of India on the 1st April 1921.

(e) There is no other camping ground in the village.

(f) It is not necessary to retain any portion of the land as camping ground for civil officers. A portion of this land is now used by school children for playing cricket. The rest of the land is used by cattle for grazing. These requirements will be considered, if the disposal of the land is ordered.

Dated, Fort St. George, the 24th November 1937.

Sir,

Camping Ground - (South Kanara) - Mangalore taluk - Panemangalore village - R.S.No.28/3 - Disposal.

R.S.No.28/3 of Panemangalore village in the South Kanara district measuring 19.25 acres is a land reserved as a camping ground by the Madras Government. It vests in the Government of Madras under section 172 of the Government of India Act, 1935. The Collector of South Kanara has reported that the land is liable to inundation from the adjacent river during severe rains and that it is damp and moist throughout the rainy season. He has stated that the land is eminently suited for wet cultivation and that it is not a fit place for use as a camping ground throughout the year. In the circumstances the Government of Madras propose to make the land available for cultivation purposes, unless the Government of India wish to retain it as a camping ground for their purposes. I am directed to enquire whether the Government of India require the land for military purposes. If so the matter will be dealt with in accordance with the principles enunciated by the Government of India, Department of Education, Health and Lands in their letter No.172-1/35-L&O., dated 15th June 1937. The market value of the land is estimated at Rs.300 an acre.

I have the honour to be,
Sir,
Your most obedient servant,

B.G.HOLDSWORTH

Secretary to Government.
